Dear [REDACTED] - [REDACTED]

On December 27th, 2020 the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) was passed in part to distribute to institutions of higher education in order to prevent, prepare for, and respond to coronavirus through HEERF. Authorized under section 314(a)(3), PCOM also applied for the Supplemental Assistance to Institutions of Higher Education (SAIHE) grant for institutions with the greatest unmet needs due to coronavirus and have recently been approved.

Our records show that you lost Federal Work Study funding due to not being able to work as a result of the campus being closed in response to mitigating the spread of the coronavirus. You have been issued this grant funding to help compensate you for that lost funding.

The SAIHE grant was disbursed and refunded to the bank account you have previously specified when you set up direct deposit for student refunds through the Bursar's Office. If you do not have direct deposit, the refund was mailed to you via paper check. If you would like to request direct deposit, please submit the completed [direct deposit form](#) immediately to bursaroffice@pcom.edu.
